Home-School Agreement

Student Name: _____

The content and layout are consistent with advice and exemplary material made available from the Department for Education. All students new to the school and their parents/carers are required to sign the Agreement.

The Agreement recognises and celebrates the primary importance of the triangular partnership of parent/carers, child and school staff in promoting educational achievement and progress.

Parents/carers, students and staff are a team pursuing the same aim: to ensure delivery of the best quality of education to enable optimum performance by each student at the school. Rights are the things which we are entitled to expect of each other. Responsibilities are the core things which we owe each other. At Harleston Sancroft Academy, each person – parent, student and staff, will recognise the rights of the other and understands that these rights are met when each member fulfils their responsibilities.

This agreement will remain valid throughout the student's time at Harleston Sancroft Academy.
