HARLESTON SANCROFT
ACADEMY

A Message from Mr Carlyle

It was a pleasure to be able to attend the official blessing of the new school on Tuesday, led by the Rt Revd Alan Winton, the Bishop of Thetford. There was a very clear sense of the values that underpin the school and the shared belief in what we can achieve as a community here in Harleston.

It has been wonderful to see the pupils working hard in their lessons and showing such positive attitudes. I have had the privilege of teaching year 4, year 5 and even year 9 this week and that is one of the aspects of my role that I find most enjoyable. Being part of an all through school is an exciting one and provides opportunities to have teaching weeks like this one !

A couple of notices and reminders. Please can we be considerate about the parking outside school at the start and end of the day, especially as we get closer to winter and the light begins to fade. Also, can bikes and scooters not be ridden on the school grounds but rather walked round to the pavement outside of school, for the benefit of families entering or leaving the site, especially when there are younger children walking with them.

Many thanks

stay safe online

Remember the 5 SMART rules when using the internet and mobile phones.

S SAFE: Keep safe by being careful not to give out personal information – such as your full name, email address, phone number, home address, photos or school name – to people you are chatting with online.

a ACCEPTING: Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!

r RELIABLE: Information you find on the internet may not be true, or someone online may be lying about who they are. Make sure you check information before you believe it.

t TELL: Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.

Highlights from our week

Nursery

This week Nursery have been out and about on the school grounds enjoying the space we are lucky to have. We discussed being safe in the forest area and the children listened very well. They then had great fun working together climbing and jumping up and down the hills.

Check out your own child's Tapestry account for further updates!

Reception

We are so very proud of all the Reception children and how they have settled into their first full time week, with confidence, enthusiasm and positivity. We enjoyed learning about how to help protect our planet creating large scale collages to encourage people not to drop litter.

Dove

We have been working on our communication skills, using symbols and signing for some children and retelling familiar stories.

We have been developing our gross motor skills, spending lots of time in our outdoor area.

Year 2

Today, our children had a wonderful debate in our history lessons. The children had to think about who was responsible for The Great Fire of London spreading as it did.

The children had to defend either King Charles II, The Lord Mayor or Thomas Farriner and think of well-reasoned arguments for why others might be to blame.

It was an exciting debate, in both classes, with some excellent points being made by all groups.
