## A message from Mr Carlyle

It has been wonderful to see the children taking part in the mini-marathon this week - and certainly inspiration for me ahead of the event on Sunday! I want to thank all of the children, families and friends for supporting the fundraising challenge and Great Ormond Street Hospital; everyone's collective efforts and generosity will make an enormous difference to the fantastic work that the hospital does to support seriously ill children.

It has been another busy week in school. A highlight for me was undoubtedly the harvest services on Thursday at St John's Church. Reception and key stage 1 and 2 did a brilliant job with their readings, artwork, singing and prayers. There was a real sense of community in the way we came together, to give thanks for the harvest and to reflect on those people who are less fortunate than ourselves. I would like to also thank you for your donations to the Waveney Food Bank. The children very powerfully explained the work that the food banks do and how they are there in times of need for families in crisis.

On Thursday teaching staff from both primary and secondary phases came together for some joint training, lead by Mrs Price and Mr Ahrenfelt. This was an extremely positive experience as colleagues worked side by side to discuss the all through school curriculum and how we can make the most of the opportunities to work together for the benefit of the pupils in Harleston. There will be plenty more of these meetings, which we very much welcome and look forward to.

Kindness is a really important part of school life in the Primary Phase. Over this half term, the Wellbeing Council will be creating a whole school kindness charter which will be a key part of our approach to anti bullying.

## stay safe online

Remember the 5 SMART rules when using the internet and mobile phones.

**S SAFE:** Keep safe by being careful not to give out personal information – such as your full name, email address, phone number, home address, photos or school name – to people you are chatting with online.

**M MEET:** Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present.

**A ACCEPTING:** Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!

**R RELIABLE:** Information you find on the internet may not be true, or someone online may be lying about who they are. Make sure you check information before you believe it.

**T TELL:** Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.

# Highlights from our week

## Nursery

This week in Nursery, we have been learning new skills are part of our PE lessons. We had to move in different ways making sure we were safe. We have also been working towards our mini marathon target. Great work everyone.

**Check out your own child's Tapestry account for further updates!**

## Reception

What an exciting Monday we had with a wonderful visit from Olympic Athlete Joel Fearon. Learning new warm up activities and how to work as a team.

# ClassDojo Highlights

## Year 1

In Year 1 we really enjoyed the year 5 and 6 wellbeing counsellors coming to read with us!

**Check out your own child's  
ClassDojo page for further updates!**

## Year 2

This week, Year 2 had a very special trip to the Harleston Fire Station. We worked with the firemen there to learn more about fire safety and the equipment that they use to fight fires.

During our visit, the children all had a go at using one of the fire station's hoses and even had the opportunity to sit in a working fire engine.

We had a wonderful time and learnt so much about what these brave individuals, who are all volunteers, do to protect us and our community.

## Year 4

We had great fun practising our times tables on Times Tables Rock Stars this week. Lots of children challenged each other to a Rock Slam and tried to earn extra coins. Please encourage this to continue at home!

## Year 5

In year 5 we have had fun exploring how to make different skin tones using paint for our work on Michelangelo's 'creation of Adam' painting.
