HARLESTON SANCROFT
ACADEMY

Message from Mr Carlyle

I want to say an enormous thank you to everyone who was able to sponsor the children for the mini-marathon that they completed last week. The children showed brilliant levels of enthusiasm and many of them are definitely marathon runners of the future! At the last count the total raised was over £1000, which is absolutely amazing. All of the money goes straight to Great Ormond Street Hospital and the brilliant work that they do every single day. The London Marathon was a fantastic experience and my blisters and I are incredibly grateful for all of the support that I received over the last few weeks. My overall fundraising total, close to £3000, is truly humbling.

Next week the majority of year 6 will be heading off to Derbyshire for a 4-day residential. I would like to thank all of the staff who are going; it's a huge commitment in terms of time and energy and I know that the children are going to have an amazing time!

Finally, just a reminder that with the exception of nursery, the children should be on the school site between 8.30am to 8.40am, so the children can enter the classrooms at 8.40am and we can close the registers at 8.50am.

Harleston Sancroft Values

Our value for this half term is

Hope

Our collective worship theme for the week beginning 10th October 2022 is '**Bringing Hope to Others**'

Harleston Sancroft Prayer

Dear Lord

By your light we know that;

Hope inspires us

Perseverance strengthens us

Wisdom develops us

Love guides us

Respect shapes us

Faith supports us

We thank you for bringing us together as a community to flourish and grow, through God's love, to live life in all its fullness.

Amen

Sign up to Dojos

Have you signed up to ClassDojo yet? We use ClassDojo to share learning, events, dates, information and to celebrate our amazing children.

The service is free (ignore any pop-ups asking you to subscribe - you don't need to, just click on the X or 'not now').

You will need your child's class code, which their teacher can provide you with.

You can sign up by clicking on this [link](#)

17th Oct - Maths Parents Workshop 8:45 -9:30

24th Oct - Half Term

31st Oct - Return to school

31st Oct - Reading Workshop 14:30 -15:15

1st Nov - Nursery and Reception open day (book a time slot with the office)

1st Nov - Nursery and Reception Open Evening 18:00 - 19:00

4th Nov - Fireworks

9th Nov - Parents Evening (Learning Reviews)

10th Nov - Parents Evening (Learning Reviews)

23rd Nov - Individual School Photos

23rd Nov - Year 4 school trip - Norwich Castle

PE and Earrings

We want to make sure that our PE lessons are both safe and inclusive for all. As a result of conversations with a PE advisor, we are amending our guidance for PE with regards to earrings.

The expectation is that children remove earrings for PE, either for the duration of the lesson or before they come to school

If they cannot remove the earrings then the children will need to come to school with the earrings taped up.

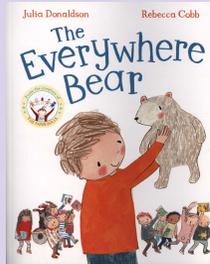

If a child has earrings in then we may have to make certain adaptations to the lesson and they may not be able to do all elements of the lesson.

Wellbeing

All Key Stage 2 children will be spending some of their lesson time learning about their mental health and wellbeing. Over the next 4 weeks, the children will be completing a programme called 'Healthy Happy Inspired'. As the name suggests, it will help the children think about being healthy and happy. It promises to be a really important set of lessons.

All of our 42 Wellbeing Councillors have been trained, so they are ready to support our younger children at lunchtimes. We have been so impressed with the way in which they have approached the training and the duties at lunchtime.

Our Wellbeing Councillors are also spending time listening to our younger children read. It is also a really important way for to build relationships across our school community.

stay safe online

Remember the 5 SMART rules when using the internet and mobile phones.

S **SAFE**: Keep safe by being careful not to give out personal information – such as your full name, email address, phone number, home address, photos or school name – to people you are chatting with online.

m **MEET**: Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present.

a **ACCEPTING**: Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!

r **RELIABLE**: Information you find on the internet may not be true, or someone online may be lying about who they are. Make sure you check information before you believe it.

t **TELL**: Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.

Highlights from our week

Nursery

Nursery have been making chocolate rice crispy owl cakes over the last 2 weeks to link with our book 'Owl Babies'. We had to melt the chocolate then mix in the rice crispies before spooning it out and adding eyes and a beak. Great teamwork and patience..

Check out your own child's Tapestry account for further updates!

Reception

This week the children have been busy creating their own colour monsters, with different colours reflecting different emotions. We have also been enjoying completing some new scavenger hunts in our playground too.

Dove

This week Dove have been working on gross motor skills. We have had lots of fun whizzing down the playground on the trikes and painting on a large scale.

ClassDojo Highlights

Year 1

This week we all took part in watching 'The big anti-bullying assembly'. The children listened well and joined in the dance moved before making the agreement to stand up against bullying. Well done everyone!

**Check out your own child's
ClassDojo page for further updates!**

Year 2

The children had an exciting Science lesson today! After our work on Charles Mackintosh, they were asked to build a waterproof shelter.

The children could choose what materials to use and made some impressive builds. We then tested them with water to see how protective they were.

ClassDojo Highlights

Year 3

This week we have been looking at when to use 'a' and 'an' when writing. This is to prepare use for when we write our diary about the Stone Age next week.

Check out your own child's ClassDojo page for further updates!

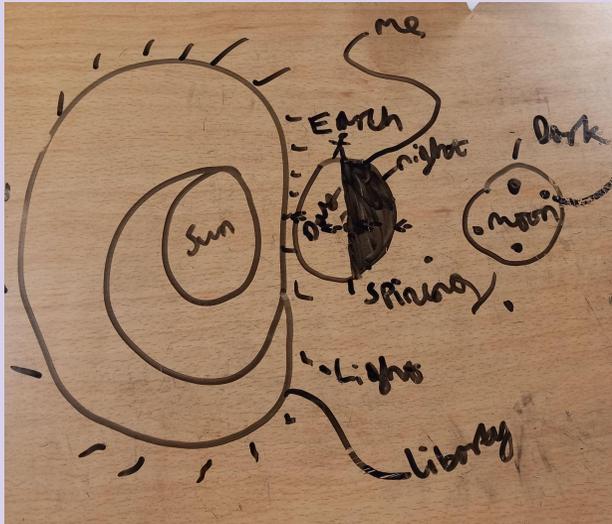

Year 4

The Year 4 children enjoyed their first scientific investigation of the year - a liquid race to test whether all liquids flow at the same speed.

ClassDojo Highlights

Year 5

In science we had fun exploring the way the Earth rotates and how day and night are formed. We are looking forward to doing our first investigation next week.

Check out your own child's ClassDojo page for further updates!

Year 6

What a brilliant Fitness lesson this afternoon with 6S! The children took part in circuit training, focusing on improving their strength. They worked in pairs and counted their repetitions as they completed each station. We also had some tunes playing to help us with our motivation!
