HARLESTON SANCROFT  
ACADEMY

Once again this has been a very busy week in school and one in which everyone has risen to the challenge. A huge 'thank you' needs to be given to all of you who attended the learning review meetings this week. It makes such a difference being able to hold these face-to-face and I hope that you found them useful in helping to understand how the start of this academic year has been up to this point. Staff have very much enjoyed the opportunity to share with you the successes since September. .

Thank you also to everyone who has able to have a look at the uniform samples that were on display in the music hub after school on Monday (or indeed at the secondary phase later on in the day). We would very much welcome your feedback on this, as we look to move forwards as an all through school.

Last Friday's fireworks display was a wonderful community event at the secondary phase and we really appreciate all of your support with that. Huge numbers came through the gates and we had lots of positive feedback, which was lovely to hear. Speaking of community events, the remembrance service to honour and respect those who have served their country in wars and conflicts around the globe over many years is this Sunday in town and students from both phases will be laying wreaths.

Best wishes  
Mark Carlyle

## Phonics Workshop for Parents

<https://forms.gle/1q9ihBtSrsXwAYx37>

This phonics workshop is for parents in Year 1, if your child needs further support in phonics if they are in Year 2 or KS2 then you are also welcome to attend. Please register your attendance by following the link above.

This session will give you information on the Phonics Screening Check which takes place at the end of year 1 and repeated in year 2 if needed. It will also give information on how phonics lessons are structured and how to support your child with reading at home.

Phonics teaching is taught using the programme 'Little Wandle Letters and Sounds' and there is a parent section on their website which also gives support including videos.

# Wellbeing

The Wellbeing Council met this week to vote for a chairperson and secretary. Rosie was nominated as the chairperson and Lily was nominated as the secretary. Well done to both girls! As part of the meeting, we also began to think about some of the ideas that the Wellbeing Council could implement during the remainder of the academic year. I have asked the councillors to come to next week's meeting with a list of ideas to share with the council.

Just a reminder that next week is Anti-Bullying Week and we will be taking part in a variety of events. This includes 'Odd Socks Day' on Monday 14th November 2022.

## stay safe online

Remember the 5 SMART rules when using the internet and mobile phones.

**S SAFE:** Keep safe by being careful not to give out personal information – such as your full name, email address, phone number, home address, photos or school name – to people you are chatting with online.

**m MEET:** Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present.

**a ACCEPTING:** Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!

**r RELIABLE:** Information you find on the internet may not be true, or someone online may be lying about who they are. Make sure you check information before you believe it.

**t TELL:** Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.

# Highlights from our week

## Nursery

This week we have been learning about Fireworks night and Remembrance day. We made cookies this week and decorated them to look like the poppies in the field. The children have shown how amazing they can be, by taking part in the Remembrance service so respectfully. Well done Nursery.

**Check out your own child's Tapestry account for further updates!**

## Reception

The children have been busy this week developing their knowledge and understanding of Remembrance day, and making clay poppies as a mark of respect and remembrance.

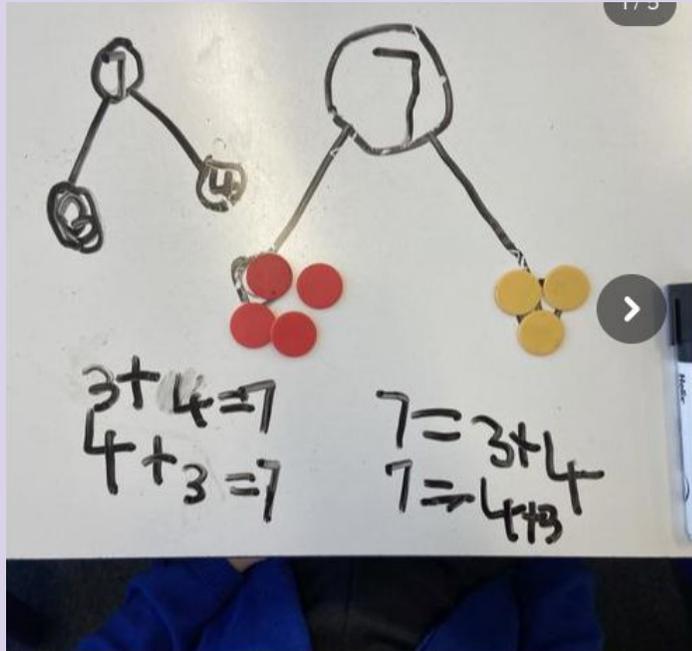

## Dove

The children have been working on their independence and self-help skills this week. They have been asking each other questions and taking turns to make toast for the group.

# ClassDojo Highlights

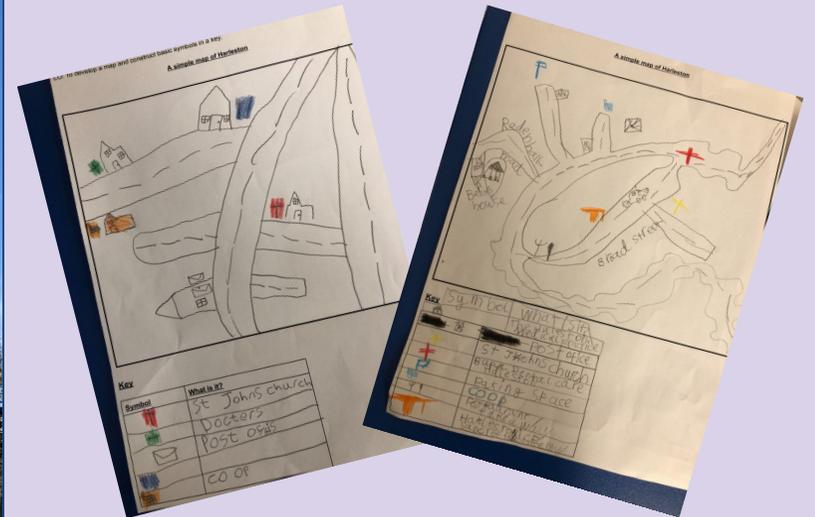

## Year 1

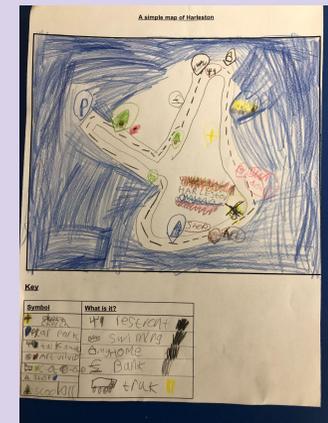

This week we have been focusing on related facts in maths using the part whole model. This is definitely a tricky concept but the children are showing lots of perseverance in their learning. From the images you can see that four addition number sentences can be created from one part whole model!

Check out your own child's ClassDojo page for further updates!

## Year 2

In our Geography topic 'Planet Earth', we have been drawing our own maps of Harleston. We have included some symbols and a key to go with the map.

# ClassDojo Highlights

## Year 4

The children have been perfecting their push pass and then developing how to receive the ball by trapping it during our hockey lesson this week.

ClassDojo page for further updates!

# ClassDojo Highlights

## Year 5

This week in art, we have been looking at shading techniques and observational drawing. We all had a go at drawing an object in the classroom and our shoes.
