HARLESTON SANCROFT
ACADEMY

Message from Mr Carlyle

This is the final newsletter of the final week of the autumn term and what a busy week it has been. Nursery sing-a-longs, Reception nativity, a key stage 2 service in the church, the choir singing in the community, school discos and a visit to Gressenhall for Year 6. I think we may all need a little lay down after that....

We also had the pleasure this week of handing out certificates to acknowledge the achievements of a number of children on Friday. There were certificates for having a 'green term', class values champions and reading champions - all of which say great things about the attitudes to learning that not only these children but our wider school community display. The staff and I have a tremendous admiration for the way our children keep pushing themselves and having such a strong desire to succeed - this makes such a difference to their learning.

Looking ahead to January, should you need to report a pupil absence then please could you use the Arbor app or contact the school. We no longer have access to MyEd, so any messages left on there can't be picked up.

There is a separate end of term newsletter going out today but I would like to take this opportunity to wish you all a Merry Christmas and a happy new year and we look forward to welcoming the children back to school on Wednesday 4th January 2023. Once again, thank you so much for your support.

Best wishes

Mark Carlyle
