Our Christian Ethos and Values

All policies within the St Benet's Multi Academy Trust (hereafter referred to as "the Trust"), whether relating to an individual academy or the whole Trust, will be written and implemented in line with our Christian ethos and values.

Our academies are open to all and accepting of all regardless of faith. Our passion and ambition are to see children and young people in all our academies achieve excellent educational outcomes alongside developing and growing into their potential as individuals made in the image of God.

Our culture is one of high aspiration for all. This is rooted in our Christian values as demonstrated in the life and teachings of Jesus Christ. We have a desire to see our academies acknowledged as places of aspiration, high quality learning, achievement and hope making a significant contribution to the communities they serve.

Overall accountabilities and roles

The Trust has overall accountability for all its academies and staff. Through a Scheme of Delegation for each academy it sets out the responsibilities of the Trust, its Executive Officers, the Local Governance Committee and the Principal / Head Teacher. The Principal / Head Teacher of each academy is responsible for the implementation of all policies of the Trust.

All employees of the Trust are subject to the Trust's policies.

1. Introduction

The St Benet's Multi Academy Trust Board is deeply committed to the principles of equality, diversity and inclusion and actively promotes this with its staff, governors, volunteers, pupils, parents/carers and all in the academy community.

All our academies are inclusive where we focus on the well-being and progress of every child and where all members of our community are of equal worth. We believe that the Equality Act 2010 provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement of different groups.

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

2. Scope

This policy encompasses the following protected characteristics:

- Age
- Disability
- Gender reassignment
- Pregnancy and maternity
- Race
- Religion or belief
- Sex

- Sexual orientation
- Marriage and civil partnership

The Trust does not tolerate any form of harassment, bullying or discrimination (see the section on linked policies for related policies).

3. Our approach to equality is based on the following key principles

- All learners, staff, trustees, governors and volunteers are of equal value and shall be enabled to develop to their full potential.
- We recognise, respect and value difference and understand that diversity is a strength.
- We foster positive attitudes and relationships and a shared sense of cohesion and belonging.
- We observe good equalities practice in staff recruitment, retention and development.
- We aim to reduce and remove inequalities and barriers that already exist.
- Equality is central to our academy's Christian ethos which follows the example of Jesus and the New Testament.
- We aim to support social justice and social mobility preparing pupils for life in a diverse society.

We will provide training, guidance and information to enable all in the academy community to play their part in the implementation of this policy.

4. The legal context

The Equality Act 2010 was introduced to ensure protection from discrimination, harassment and victimisation on the grounds of specific characteristics (referred to as protected characteristics).

This means that no-one should be discriminated against or treated less favourably because of their sex (gender), race, disability, religion or belief, gender reassignment, sexual orientation or pregnancy or maternity, age, marriage and civil partnerships.

The Act requires all public organisations, including Academy Trusts, to comply with the Public Sector Equality Duty and two specific duties:

The **Public Sector Equality Duty** or “general duty”

This requires all public organisations, including Academy Trusts, to

- Eliminate unlawful discrimination, harassment and victimisation.
- Advance equality of opportunity between different groups.
- Foster good relations between different groups.

Two “specific duties”

This requires all public organisations, including Academy Trusts, to:

- Publish information to show compliance with the Equality Duty.
- Publish Equality objectives at least every 4 years which are specific and measurable.

We understand from time-to-time further legislation and guidance is published by Government and relevant legal bodies and we will continually monitor and implement relevant policy and practice to ensure compliance.

Roles and Responsibilities

All directors, trustees, governors, staff, volunteers, pupils/students and their families need to develop an appropriate understanding of, and act in accordance with, the Trust's Equality and Diversity Policy and Action Plan.

In addition, the St Benet's Trustees are responsible for ensuring that the Trust prepares, publishes, implements, reports on and reviews an Equality and Diversity Policy and Action Plan (including budget requirements), and in particular the employment implications of meeting the Duty.

Information on how St. Benet's is meeting these statutory duties can be found here:
<https://www.stbenets.org/about-us/model-policies/>.

Each Local Governing Body is responsible for the implementation of this policy and will delegate the day-to-day operational responsibility to a named senior manager, usually the Headteacher, Rob Connolly. The Ethos and Community Committee will have a watching brief regarding the implementation of this policy.

Each academy will produce an Equality Impact Statement each year. The template for this can be found in **APPENDIX 1** and should be published on the academy website.

All visitors to the Academy, including volunteers, parents and carers, are expected to support our commitment to equalities and comply with the duties set out in this policy. We will provide guidance and information to enable them to do this.

Key contacts:

Staff Member responsible: Lucy Field, Assistant Headteacher (Secondary Phase) and Jane Price, Head of School (Primary Phase)

Link Trustee/Local Governor: Mike Soper

5. Publishing equality objectives

The objectives which we identify represent the Trust's priorities and are the outcome of a careful review and analysis of data and other evidence. They also take into account national and local priorities and issues.

We evaluate our success in meeting the Public Service Equality Duties by the extent to which we **achieve improved outcomes** for the different groups. We produce equality data analysis which informs our discussions about the Equality Objectives, available here:
<https://www.stbenets.org/about-us/model-policies/>.

Our Trust Equality Objectives for 2023-2024 are:

1. We will undertake a detailed review of all data supporting the Equalities Policy and related policies and identify the core data for:
 - a. The Trust
 - b. Each academy
2. To take action to advance equality of opportunity, and further move towards the eradication of prejudice-related bullying in relation to the protected characteristics listed in the Equality Act 2010 by ensuring that there is an open culture of reporting and that every case is thoroughly investigated, and restorative approaches used to bring about behaviour changes.
3. We will take action to ensure we are an employer of choice with an active recruitment policy to recruit from under-represented groups and develop our equality profile of all staff to help us understand and address key equality issues in our workforce.
4. To monitor levels of parental and pupil engagement (especially the most disadvantaged) in learning and school life, across all activities to ensure equity and fairness in access and engagement. And then to ensure all pupils are given similar opportunities with regards to enriching extracurricular activities.

Our Equality Objectives for The Harleston Sancroft Academy are:

1. To educate and eliminate unlawful discrimination, harassment and victimisation by discouraging and responding to all incidents of prejudiced based bullying.
2. To fully engage members of the community including our diversity club in reviewing all aspects of equality across the Academy
3. To take action to remove the barriers to learning for students who are disadvantaged and affected by the impact of COVID-19 by further improving the capacity of Pupil Premium funding to 'close the gap' so that students from more disadvantaged backgrounds have improved life chances.
4. To improve the capacity of the Academy to support students/pupils/ children with a protected characteristic.

These objectives will be reviewed annually.

We note also that OFSTED has a statutory duty to report on the outcomes and provision for students who are disabled and those who have special educational needs.

6. What we are doing to eliminate discrimination, harassment and victimisation

- We take account of equality issues in relation to admissions and exclusions; the way we provide education for our students and the way we provide access for students to facilities and services.
- We are aware of the Reasonable Adjustment duty for disabled pupils / students – designed to enhance access and participation to the level of non-disabled students and stop disabled children being placed at a disadvantage compared to their non-disabled peers.
- The Headteacher ensures that all appointment panels give due regard to this policy so that no one is discriminated against when it comes to employment, promotion or training opportunities.

- We ensure that those who are affected by a policy or activity are consulted and involved in the design of new policies, and in the review of existing ones.
- We take seriously the need to consider the equality implications when we develop, adapt and review any policy or procedure and whenever we make significant decisions about the day-to-day life of the Academy.
- We actively promote equality and diversity through the curriculum and by creating an environment which champions respect for all.
- We ensure that our admissions arrangements are fair and transparent, and we do not discriminate against students by treating them less favourably on the grounds of their sex, race, disability, religion or belief, sexual orientation, gender reassignment, pregnancy or maternity.
- The Academy's Behaviour Management Policy takes full account of the duties under the Equality Act. We make reasonable, appropriate and flexible adjustment for students with a disability. We closely monitor data on exclusions and absence from Academy for evidence of over-representation of different groups and take action promptly to address concerns.
- The Academy challenges all forms of prejudice and prejudice-based bullying, which stand in the way of fulfilling our commitment to inclusion and equality. We treat all bullying incidents equally seriously.

7. What we are doing to advance equality of opportunity between different groups

- We know the needs of our pupils very well and collect and analyse data in order to inform our planning and identify targets to achieve improvements.
- We have procedures, working in partnership with parents and carers, to identify children who have a disability through our admissions meetings.
- We collect data and monitor progress and outcomes of different groups of pupils and use this data to support Academy improvement. We take action to close any gaps, for example, for those making slow progress in acquiring age-appropriate literacy and number skills.
- We also collect, analyse and use data in relation to attendance and exclusions of different groups.
- We avoid language that runs the risk of placing a ceiling on any pupils' achievement or that seeks to define their potential as learners, such as "less able".
- We use a range of teaching strategies that ensures we meet the needs of all pupils.
- We provide support to pupils at risk of underachieving.
- We are alert and proactive about the potentially damaging impact of negative language in matters such as race, gender, disability and sexuality.
- We ensure equality of access for all pupils to a broad and balanced curriculum, removing barriers to participation where necessary.
- We will take positive and proportionate action to address the disadvantage faced by particular groups of students with particular protected characteristics, such as targeted support. The actions will be designed to meet the Academy's Equality Objectives.

8. What we are doing to foster good relations

- We work closely and openly with parents/carers.
- We communicate and engage with a variety of community groups including the local Church.
- We enable employers and other groups to work with pupils in the academy to broaden and

deepen their educational experience.

- We prepare our students for life in a diverse society and ensure that there are activities across the curriculum that promote the spiritual, moral, social and cultural development of our students
- We teach about difference and diversity and the impact of stereotyping, prejudice and discrimination through RSHE and across the curriculum
- We work closely with our community, Diversity Group and Equality and Diversity Governor to review all aspects of equality across the academy
- We use materials and resources that reflect the diversity of the Academy, population and local community in terms of race, gender, sexual identity and disability, avoiding stereotyping
- We promote a whole Academy ethos and values that challenge prejudice-based discriminatory language, attitudes and behaviour
- We provide opportunities for students to appreciate their own culture and celebrate the diversity of other cultures
- We include the contribution of different cultures to world history and that promote positive images of people
- We provide opportunities for students to listen to a range of opinions and empathise with different experiences
- We promote positive messages about equality and diversity through displays, assemblies, visitors, and whole Academy events

9. Monitoring and reviewing the objectives

The Trust reviews and updates the equality objectives every two years. We will publish an evaluation of the success in meeting these objectives for parents and carers, on the Trust website.

The academy Ethos and Community Committee will ensure an Equality Impact Statement is produced each year (Appendix 1).

10. Disseminating the policy

This Equality Policy along with the Equality Objectives and data is available:

- On the Trust and academy websites.
- As part of induction for new staff.

11. Monitoring and reviewing the policy

The Trust Board annually evaluates the success of the Trust's equalities work and will review the whole policy every three years.

12. Links to other policies

Although this policy is the key document for information about our approach to equalities in line with the Public Sector Equality Duty, see APPENDIX 2, we ensure that information about our

responsibilities under the Equality Act are also included in other aspects of academy life such as the Academy Improvement and Development plan, web sites, newsletters and other policies e.g.

- Anti-bullying Policy (Pupils)
- Staff Bullying and Harassment Policy
- Flexible Working Policy

Academy Equality Impact Statement

Rationale: Education Brief

The Harleston Sancroft Academy is fully committed to providing the highest quality educational provision for all children and young people. We seek to achieve this within the notion of belonging to a family, where service of others is promoted and the Christian values of responsibility, aspiration, dignity, love and respect can be seen in action in all our academies. This is not an “easy option” because, to achieve the best possible outcomes for our young people, there is an expectation that every individual will strive to make the most effective contribution possible.

The Harleston Sancroft Academy provides the “opportunity for all to achieve their very best, regardless of their race, religion, gender, abilities, social background or any other personal characteristic”.

The academy takes its commitment to eliminating discrimination seriously, the annual Equalities Impact Statement is part of our duty to promote Equality.

The Harleston Sancroft Academy is a welcoming School where everyone is valued highly and where tolerance, honesty, co-operation and mutual respect for others are fostered. We are committed to the development of the whole person within a supportive, secure, creative and Christian environment. This is reflected in our collective worship programme.

As part of our core offer, a broad, balanced and appropriate curriculum provides equal opportunity for all students to maximise their potential regardless of age, gender, sexual orientation, race, colour, religion or disability.

We aim to:

- Provide a secure environment in which all our students and adults feel comfortable and at ease about their gender, race, culture, religion, social class, disability, special needs, sexual orientation and background.
- Provide a learning environment where all individuals can flourish and achieve; being healthy, staying safe, enjoying and achieving, making a positive contribution and enjoying economic wellbeing.
- Prepare students for life in an increasingly diverse society so that they can see their place in the local, regional, national and global community.
- Ensure that the schemes of learning are provided for the individual needs of the students and that the curriculum is differentiated.
- Provide positive non-stereotyping information about different groups of people to challenge personal prejudice and stereotypical views whenever they occur.
- Ensure that students with Special Education Needs are supported in all aspects of their learning
- Provide a wide range of social, recreational and sporting opportunities appropriate for each student according to age and stage of development.
- Provide a structure in which students are exposed to the influence of and relationships with, adults of either gender, varied races and cultures.

- Meet each student's needs by treating them as a unique individual valued for themselves as such whilst recognising their need for change, growth and personal development.
- Recognise the cultural, racial and family background of students and support them in the appreciation of this St. Benet's MAT Equality and Diversity Policy
- Include and value the contribution of all families to the school's perception and understanding of equality and diversity.
- Ensure that all student groups e.g. student council, sports teams, debating club etc are fairly represented
- Actively challenge discrimination and disadvantage and make inclusion a thread which runs through all our activities.
- Collect and analyse data and information to ensure all student groups are progressing well and that no student group is subject to disadvantage.
- Use all available information to set appropriate and suitable learning challenges for all, responding to student's diverse needs and overcome any potential barriers to learning.
- Ensure that the wider school curriculum makes explicit and implicit provision to promote and celebrate diversity. Have high expectations of behaviour and attitude to learning in relation to demonstrating respect to others.
- Support students in experiencing 'Life in All its Fullness'

Outcomes: 2022-23

The Academy Improvement and Development Plan aims to improve:

Curriculum
To ensure a broad and balanced curriculum offer, in which all pupils have access to high quality teaching and learning, facilitating outcomes that are in line or above national expectations
Culture
To promote and develop a culture of high expectations through commitment, ownership and responsibility leading to excellence in the classroom and beyond (CORE).
Sustainability
To promote and develop opportunities that recognise and take direct action to create a sustainable community, enabling all members to understand, contribute to and benefit from lifelong, life in all its fullness

Attendance data shows that: (for 2022-23 academic year)

The academy believes regular Academy attendance is the key to enabling children to maximise the educational opportunities available to them and become emotionally resilient, confident and competent adults who are able to realise their full potential and make a positive contribution to their community. The academy will work towards 100% attendance for all students. The academy values all students and works with families to identify the reasons for poor attendance and try to resolve any difficulties.

Primary Phase

Whole academy attendance for 2022-23 in the Primary Phase was 93.2% with PA at 23.9%. This is in

comparison to national data which was 93.8%

Attendance for each key sub-group shows:

Girls 93.7%

Boys 92.8%

Pupil Premium 91.1%

SEND 90.02%

Secondary Phase

Whole academy attendance for 2022-23 in the Secondary Phase was 89.7% with PA at 27%. This is in comparison to national data which was 90.7% (PA 28%).

Attendance for each key sub-group shows:

Girls 89.6%

Boys 89.8%

Pupil Premium 82.8%

SEND 83.5%

The pastoral teams and attendance officers in each phase meet regularly to discuss attendance, areas where attendance is not as expected and create strategies to improve. This involves working closely with families through our targeted pastoral support delivered by non-teaching support staff in both phases.

Attainment and Progress:

Secondary Phase

2023 provisional outcomes for KS4 are not published. Predicted outcomes see the attainment and progress of boys and girls to be in line with a slight discrepancy between English and maths.

In year tracking suggests the attainment and progress of PP students vs non-PP is slightly lower. For SEND, this progress gap is narrowing and this is a continuing trend. EAL students (4) are forecast to outperform non-EAL in both measures.

St Benet's MAT Public Sector Equality Duty Statement (over 150 Employees)

1. Introduction

- 1.1 This document describes how the St Benet's MAT Board intends to fulfil its responsibilities under the Public Sector Equality Duty with regard to its workforce. The Equality Objectives will be part of the St Benet's Business Plan and information will be published on the appropriate page of the St. Benet's website.
- 1.2 We will have due regard to the need to:
 - 1.2.1 Eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Equality Act.
 - 1.2.2 Advance equality of opportunity between people who share a protected characteristic and people who do not share it; and
 - 1.2.3 Foster good relations between people who share a protected characteristic and those who do not share it.
- 1.3 We will collect and use equality information to help us to:
 - 1.3.1 Identify key issues.
 - 1.3.2 Understand the impact of our policies, practices and decisions on people with different protected characteristics, and thereby plan them more effectively.
 - 1.3.3 Assess whether we are discriminating unlawfully when carrying out any of our functions.
 - 1.3.4 Identify what the key equality issues are for our organisation.
- 1.4 Assess performance:
 - 1.4.1 Benchmark our performance and processes against those of similar organisations, nationally or locally.
- 1.5 Take action:
 - 1.5.1 Consider taking steps to meet the needs of staff who share relevant protected characteristics.
 - 1.5.2 Identify if there are any actions we can take to avoid discrimination and harassment, advance equality of opportunity or foster good relations.
 - 1.5.3 Make informed decisions about policies and practices which are based on evidence about the impact of our activities on equality.
 - 1.5.4 Develop equality objectives to meet the specific duties.
 - 1.5.5 Have due regard to the aims of the general equality duty by ensuring that staff have appropriate information for decision-making.
- 1.6 We will work towards developing an equality profile of staff to help us to understand key equality issues in our workforce, including any evidence of pay gaps or 'occupational segregation' i.e. staff with certain protected characteristics being over-represented in particular roles, for example, women as cleaners, or at certain grades. In addition, we note that it is likely to be useful to collect and consider information, appropriately disaggregated, about:
 - 1.6.1 Recruitment and promotion.
 - 1.6.2 Numbers of part-time and full-time staff.

- 1.6.3 Pay and remuneration.
- 1.6.4 Training.
- 1.6.5 Return to work of women on maternity leave.

- 1.6.10 Dismissals and other reasons for leaving.

2. Publication of Equality Information

- 2.1 We will publish relevant, proportionate information which is broad enough to give a full picture of performance across our trust. We will demonstrate how we have used this information to have due regard to all three aims of the duty, for all relevant protected characteristics. Our information will usually fall into two main categories:
 - 2.1.1 Information to identify equality issues. Examples of this include equality monitoring information about employees, information about the effect of our activities on people with different protected characteristics or any engagement we may have carried out.
 - 2.1.2 Information about steps taken to have due regard to the aims of the general equality duty. For example, any records we have about how we had due regard in making certain decisions, information that was considered in that decision-making (including engagement), consideration of steps to mitigate adverse impacts, or details of policies to address equality concerns.
- 2.2 We note that the Equalities and Human Rights Commission would normally expect to see the following information:
 - 2.2.1 The race, disability, gender and age distribution of our workforce at different grades, and whether they are full or part-time.
 - 2.2.2 An indication of the likely representation on sexual orientation and religion and belief, provided that no-one can be identified as a result.
 - 2.2.3 An indication of any issues for transsexual staff, based on engagement with transsexual staff or equality organisations.
 - 2.2.4 Gender pay gap information.
 - 2.2.5 Information about occupational segregation.
